The Director of Central Intelligence
Washington, D.C 20505

Critical Intelligence Problems Committee

DCI/ICS 83-3740
5 April 1983

MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Acting Director, Intelligence Community Staff

FROM:
Chairman

SUBJECT: CIPC Monthly Report--March 1983

1. The highlight of the month was the convening of the new CIPC on 21 March 1983. All organizations were represented by their principals or designated alternates. Subsequent to our February monthly report identifying the respective member organizations, the Treasury Department requested and was granted membership on the Committee. However, their attendance will be tempered by the various issues being addressed by the Committee. The next monthly meeting is scheduled for 18 April 1983.

2. Two principal agenda items were addressed by the Committee: International Illicit Narcotics Production and Trafficking, and Collection Problems Against Soviet Strategic Cruise Missiles. The Committee was provided comprehensive background briefings on both subjects. Recommendations for

3. With regard to the narcotics intelligence problem, the Narcotics Working Group (described in the February monthly report) held its first meeting on 18 March with representatives from 17 NFIP and non-NFIP organizations. As a result of this meeting, the Working Group has developed a comprehensive set of draft Terms of Reference. The TOR will be reviewed and finalized by the CIPC principals at the 18 April meeting and subsequently forwarded to you for your information.

4. Also during the month we established a Soviet Strategic Cruise Missile Working Group. This working group consists of 12 organizations, to include the respective collection committees. This is a

strategy based on current and programmed resources, as well as a mid- to long-term strategy which assumes new resources as required. They will also be tasked to develop resource requirements delineating yearly expenditures required to reach the desired goals and objectives. The Working Group is scheduled to convene on 4 April 1983 to develop their TOR. We plan to table this TOR at the 18 April CIPC meeting for committee consideration. We will also provide you an information copy of the finalized TOR.
